## CIRCULAR

Clarification regarding requirement of No Objection Certificate (NOC) for registration with Delhi Medical Council by practitioner's of modern scientific system of medicine (allopathy) who intends to practice in the NCT of Delhi.

Whereas, the provisions of the Delhi Medical Council Act, 1997 and the Delhi Medical Council Rules, 2003 have been examined with regard to the requirement of obtaining a No Objection Certificate (NOC) for registration with the Delhi Medical Council;

And whereas, it has been observed that there is no provision mandating the submission of a No Objection Certificate (NOC) from a medical practitioner who:

(a) possesses a recognized medical qualification as specified in the First, Second, or Third Schedule to the Indian Medical Council Act, 1956; and

(b) is already registered with any State Medical Council in India;

Now, therefore, it is hereby informed to practitioners of modern scientific system of medicine (allopathy) who intends to practice in the NCT of Delhi that an applicant who is registered with any State Medical Council and seeks registration with the Delhi Medical Council shall be considered for registration under the Delhi Medical Council Act, 1997 on the basis of the self-declaration furnished by the applicant in the online application form.
