

GOVERNMENT OF NCT OF DELHI NATIONAL TUBERCULOSIS ELIMINATION PROGRAMME

ATTENTION

All Private Practitioners / Clinics / Nursing Homes / Hospitals & Laboratories

It Is Mandatory To Notify TB

As per the Gazette Notification Government of India for prevention and elimination of the Tuberculosis:-

“The Healthcare Providers (including all PRIVATE practitioners, Laboratories, nursing homes, hospitals etc.) , termed as Clinical Establishment henceforth; shall NOTIFY every TB patient to local Public Health Authority, namely, District Health Officer or Chief Medical Officer of a District and Municipal Health Officer of urban local bodies in whatever way they are known; or their designated District Tuberculosis Officers.

All Pharmacy, Chemist and Druggist dispensing anti-tubercular medicines, shall NOTIFY respective TB patients along with details of medicines”.

IT'S PUNISHABLE... IF NOT NOTIFIED AND RELEVANT PUBLIC HEALTH ACTION IS NOT TAKEN

Those failing to notify a TB patient to the concerned District TB Officer and not taking appropriate public health action after TB patient notification, will attract the provision of **Sections 269 and 270** of the **Indian Penal Code (45 of 1860)**.
